The operating procedures of Pathwayz Communications, Inc. ("Pathwayz") are designed to ensure compliance with the CPNI rules applicable to telecommunications carriers. These procedures are designed to meet Pathwayz' duty to protect CPNI from any disclosure or use that is not permitted by the rules of the Federal Communications Commission.

- D. In instances of opt-out mechanisms that do not work properly, the Vice President, and/or the President are required to notify the FCC within five (5) business days in writing. Such notice must be submitted even if the carrier offers other methods by which customers may opt-out.
- E. Employees will be educated on the company's CPNI policy not to improperly disclose or use CPNI. Meetings are conducted annually, or as needed if questions arise regarding the policy.
- F. A corporate officer acting as agent for the Company will certify on an annual basis stating that the officer has personal knowledge that the Company has established the above operating procedures and that these procedures are adequate to ensure compliance with applicable CPNI rules.
